

# Ideal Sites

## Project:

Internal and external application of Birla White Wallcare Putty at Ideal Sites, Kolkatta.

## Client:

Ideal Group

## The project was acquired on the basis of:

Whiteness	Application Cost	Low Absorption	Better Coverage
Birla White Wallcare Putty is pristine white in colour, making it ideal to paint on.	Birla White Wallcare Putty is more cost efficient than other products in the same category.	Birla White Wallcare Putty's low absorption properties minimises wastage of paint. Thus, saving cost upfront.	Birla White Wallcare Putty offers much better coverage than regular putty.
