

Birla White recognized for 'Environment Excellence' and 'Energy efficiency'

Birla White has been recognized with two prestigious awards at the Apex India Green Leaf Awards 2019. Birla White won 'Platinum' Award for Environment Excellence and a 'Gold' for Energy Efficiency for outstanding performance in the respective domains. The awards reflect Birla White's commitment to building a sustainable business.

The assessment for the Apex India Green Leaf Award evaluated the overall performance of Birla White Kharla Khangar unit. A panel of experts from Government, Academia and Industry evaluated the unit's performance.

Apex India Foundation is a non-profit organization, which provides a global & national platform to discuss key and crucial issues like Environment Protection, Safety at Workplace, Implementation of CSR, and adopting best HR practices with a mission to support and contribute to the rapid growth of the Indian economy.
