

Birla White unit, Ultratech Cement Ltd has won yet another award adding to its bag of achievements.

The award entitled: Social Impact Award was presented by the prestigious Indian Chamber of Commerce under the mega enterprise category in Kolkata.

The Social Impact Awards is an initiative of ICC through which the chamber would engage with corporates, NGOs, and Implementing Agencies in order to recognize and encourage them for exemplary work done in their respective fields of operation at a Pan India basis.

British Deputy High Commissioner, Japanese Consulate General, Australian Consulate General were present there amongst the various other special dignitaries.
