

WE STAND STRONG IN
OUR COMMITMENT TO SAFETY!

BIRLA WHITE HAS WON
1st PRIZE AT

THE FACTORY SAFETY AWARD
IN RAJASTHAN.

On March 4th, 2024, Birla White, achieved a significant milestone by clinching the Factory Safety Award, solidifying its position as a leader in safety standards within the Large Sector Category among all Cement Plants operating in Rajasthan. The initiation of the award process by the Factories and Boilers Department highlights the government proactive endeavours to promote & acknowledge excellence in factory safety standards throughout the region.

The esteemed award, bestowed by Dr. Prithvi IAS, Secretary to Government, Labour, Factories & Boilers, Medical & Health services(ESI), Rajasthan on behalf of the Labour Department of the State Government, symbolizes the Company's unwavering commitment to ensuring a safe work environment. On this occasion Shri Karan Singh IAS, Special Secretary to Government & Labour Commissioner, Rajasthan & Shri D.L. Damor, Chief Inspector of Factories & Boilers Rajasthan were also present.

The ceremony, held at the prestigious Rajasthan International Centre, Jaipur, was graced by a distinguished gathering of individuals, who recognized and applauded Birla White's exemplary efforts in promoting Safety. This accolade not only highlights the company's dedication in maintaining the highest standards of safety, but also serves as a testament to its proactive approach in fostering a culture of responsibility and accountability.

On behalf of Birla White Shri Alok Nigam, Head Manufacturing, Sh. Sandeep Bhatnagar, Head Safety, Sh. Ram Manohar Sharma and Sh. Shyam Singh received this award .
