

A milestone in safety!

Gold at the

6th ICC National Occupational Health And Safety Awards 2024

We are thrilled to announce that we have been honored with the ICC National OHS Award in the GOLD Category for our exceptional commitment to safety. This prestigious accolade underscores our steadfast dedication to fostering a safe and secure environment for all.

We have consistently maintained high safety standards, surpassing industry expectations. Through adherence to regulations and the implementation of strong policies, we've built a solid safety framework with initiatives like Monthly MCM, theme-based onsite campaigns, awareness sessions, and digital interventions. Various communication channels—such as gap assessments, TPSA, and statutory external audits—have been pivotal in sharing essential safety information and promoting transparency.

Our daily self-maintenance activities showcase the involvement and dedication of our employees, further embedding safety into our everyday operations.

The unwavering commitment and support from our leadership have set a strong example, driving our safety initiatives forward.

Congratulations once again to everyone involved. Together, we remain committed to reaching new heights in building a safety culture and achieving more milestones with your continued guidance and support.

The award was received by Mr. Kaustav Bhaduri (Regional Head - Institutional Sales) in Kolkata.
