

SHINING BRIGHT AT THE BUREAU OF INDIAN STANDARDS FOR 2 YEARS OF UNWAVERING COMMITMENT TO CONSISTENT QUALITY!

Delighted to share that UltraTech Cement Limited (Unit Birla White, Kharia) has been honored with a **COMMEMORATION** from the Bureau of Indian Standards (BIS) for our steadfast commitment to quality over the past two years, in alignment with IS 8042:2015 (White Portland Cement). This recognition, presented on October 14, 2024, during a ceremony in Jaipur on the occasion of World Standards Day, underscores our dedication to ensuring consistent product quality—from the selection of raw materials to final delivery.

We look forward to reaching new milestones together with your continued support and guidance.
